Advantage Package
Aeralife Watergardens

The advantage is all yours

At Aeralife, our enhanced services are designed to bring joy, vitality and comfort to our residents. To make life easier, we've bundled them all together into our Advantage Package. Advantage is our hospitality and wellness offer, designed to make every day more comfortable and enjoyable. We're dedicated to creating moments of delight, fostering companionship and providing compassionate support.

Designing a package that works for you

When you first arrive at one of our homes, our care and lifestyle team will talk to you about your needs. We listen and ask questions to gain a full understanding of who you are and what you like. Then we tailor a care plan that addresses your specific needs and preferences. Our goal is to ensure that the parts of the package that you need to make life fulfilling and joyful, are incorporated into your daily life as quickly as possible.

An all-inclusive exclusive package

The Advantage Package is all-inclusive, and every service within it is available for you to use as you wish. Advantage is charged as a simple daily fee within your monthly billing and it's important to note that you cannot selectively opt to pay for specific items. Please refer to our Resident Agreement for full Advantage Package details.

Accommodating your changing health needs

We understand that your physical and cognitive health may change during your stay with us. If this means you're not going to benefit from some or all the components of the Advantage Package, we'll substitute them or apply a discount. We routinely assess your health and ensure that you'll only pay for the services you can fully use. If we need to adjust fees because of this, we will promptly provide those details.
